

Thank you for purchasing a system from Silicon Mechanics.

Sales

If you have any questions about your order, please contact our Sales department:
Hours: 6AM to 6PM Pacific
Phone: 866.352.1173 / 425.424.0000
Email: sales@siliconmechanics.com

Support

If you have any questions about your system, please contact our Support department:
Hours: 6AM to 6PM Pacific
Phone: 888.746.3241 / 425.420.1245
Email: support@siliconmechanics.com
<http://www.siliconmechanics.com/support>

Please check your shipment carefully. Any shipping damage should be noted with the carrier and reported to Silicon Mechanics immediately. In addition, please verify the completeness and accuracy of your order and inform your sales representative if you feel there are any issues.

Extras

CDs or floppy disks containing drivers for other components, such as add-in RAID or Ethernet cards, may also be included, depending on the specific configuration of your system.

Drivers

Drivers for the motherboard chipset, on-board Ethernet controllers, on-board storage controllers, and other integrated devices can be located on the motherboard manufacturer's CD, included with your system. Additionally, Silicon Mechanics provides manufacturer drivers and documentation at <http://files.siliconmechanics.com>.
